

Seed of Discrepancy #18

*'God Shaking His Church;'
'Being Fundamentally Right is Still Wrong'
November 26, 1995 - Bro. Lee Vayle*

Shall we pray. Heavenly Father, we know the reality of the actuality of the truth that Jehovah-Elohim is here, 'Our Father, which art in heaven', we do not say that any more, in the strict sense of the One who was... John saw was upon the throne with the rainbow over His head; that that One here even God Himself with blessed Holy Spirit, veiled in the Pillar of Fire lead... is here to lead us into the Millennium and Lord, we feel that we have presented the truth of this very, very strongly, very... and we believe very accurately so that none except those who are not ordained would have any reason to turn aside the truth or... no way, Lord, could they not see it, but we have this also to know which is so true that in being so strong to show forth the truth of Your great Presence we could have failed in our failing to realize the great One who is present, to love and honor and to worship Him in obedience to the same Word that we are so zealous to set forth, realize that the apostle Paul was set for the defense of the Gospel and we know that at his time the Gospel had been changed and there was another Jesus substitute, there was another Holy Spirit, and yet he stood there knowing that with the defense of the Gospel all else was defined and all else was in position yet he had a relationship with You Lord, that was tremendous. We do not claim that. We do not want that. We know Bro. Branham had it but Lord, we do want an in-depth, a deeper, not revelation so much, although that is certainly acceptable, desirable, and we could never get enough, but Lord, to be really in love with Him who is Present and obedient to Him in all things.

Help us this morning Lord, to come closer to that place Lord, where there is a real communication as Bro. Branham preached that last sermon, real Communion and a real rapport, a real life Lord, walking even as Paul said, "If you live in the Spirit, see that you walk in it." That's what we want today Lord, help us, help us as You never helped us before, in Jesus' Name, we pray, Amen. You may be seated.

1. Now, before we go into number 18 and I've been apprised of that fact that we are at number 18, I can find a couple pages here. I know I got somewhere, should have somewhere. I want to bring to your attention, the understanding of what can be easily misunderstood and here I am talking about it already and I had it here somewhere. That's not it. Oh, here it is here. Bro. Branham made a statement and I always had it incorrect in my mind because I added a couple of words to it which evidently I must have got, not necessarily some joy bells ringing out flat in my ears, but I got it wrong.

2. Bro. Branham said in Knoweth It Not, in 1965.

[KNOWETH IT NOT JEFF.IN V-2 N-10 65-0815]

[13-4] *I'm only building. The hour is close at hand when you're going to see something happen, when something is going to take place and all this background, here, that*

has only been laying a foundation for a short, quick message that will shake the whole nation.

I used to quote that as a 'short quick message coming out of the west'. I don't know where in the world I got that, but I guess I must of got it from the devil. I don't think Bro. Branham told it to me so I got to take that back and just forget about it.

He says here,

[13-4] *I'm laying a foundation for a short, quick message, that will shake the whole nation.*

[13-5] *Why, I have been picking on women: it's just been laying up here, for something you could ...hit around the head with... Even trying to tell them what's right. And I hold my hand down like this...to...their mouth; they spit it out. Then, who could blame the doctor?*

[13-6] *How are you going to say at the day of judgment, when the very voices that's cried out against it, will play the record right back in the face of the people? Then, how are they going to get away from it?*

3. Now in this particular sermon here, that Bro. Branham preached, the... Knoweth It Not, he does go into a tremendous amount of detail concerning women and of course, you know that the women type, of course, the church. And you can tell the hour because of Israel and you can tell the condition of the church by reason of the women. And he says,

[13-4] *I'm only building. The hour is close at hand when you're going to see something happen, when something is going to take place. And all this background here has only been laying a foundation for a short, quick message which will shake the whole nation.*

Well, now, if he's talking about the background of his entire ministry which would encompass the Church Ages, well, it starts in 1958, particularly with Serpent Seed, and goes on through till 1965 where he ends up at the west coast. Now if you want to take that as a background, you could do so, but on the other hand, this is a self-contained sermon that the brother brought under great duress having galloped across the country and arrived at home, very, very tired.

4. And he brings forth this Message of Knoweth It Not, and he is very, very explicit concerning what lies in the church as we know it today, and so therefore, when he's speaking of laying a background it could well be that it is this Message alone, that he is looking back over his whole, not necessarily diatribe, but his explanation concerning women as they are and what the portent is and where it is going and how it will end up. And so it could be that he is saying here now, this background that I have been laying concerning the church and which women represent and we know exactly the condition the church is in by the condition of the women. Because the book of Revelation says, "Thou art wretched, naked, miserable, and blind, and don't even know it." [Rev 3:17] And that's exactly the way the church is and that's exactly the way the women act. And... because they can be anointed by the Holy Spirit and even prophesy and do many things which actually you would have to attribute to the Holy Ghost. They say, "Well, there you are, this is it." Well, it's not it.

It's not it at all, because it's been manifestly demonstrated and proven through the vindicated ministry of the prophet, William Branham that we are now at the place that Peter prophesies takes place immediately before the Great Tribulation, wherein God pours his Spirit upon all flesh and he said, "Your sons and your daughters will prophesy and upon mine also, will the Spirit be poured." [Joel 2:28, 29] So therefore, there is nobody, including devils and I'm typing ?..... people like Judas who can be fully incarnated even by the devil himself or evil spirits by any number could come forth manifesting in the church under a true anointing of the Holy Spirit and absolutely false to the Word. Because it mentions the false prophets particularly doing signs and wonders that accompany their preaching after the true prophet has come forth. Because there cannot be a false prophet until there is a true prophet. There cannot be a counterfeit unless there's a genuine. Now if the counterfeit is the original; it is not a counterfeit. There's no way it can be; it is an original, anything else from that point on.

5. So Bro. Branham could be talking simply about how that this sermon here is building and laying a foundation for what is coming down the road which is that 'short message' that was going to shake down the entire nation.

Now, there's another little place here, the next Sunday morning, that was Saturday. The next morning, I preached on scientists being of the devil. And he said,

[33-3] *...Scientists (that's Walker was saying they) were pouring things in tubes and mixing them. You stopped the horse and raised up your hand and began to scream, "I'll ride this trail once more." (And he said,) "The whole earth shook." Those people shook... "looked up at one another... looked up at you, shrugged their shoulders and went on with their scientific research." (Now, you'll notice we'll go from the whole nation to the whole world.)*

6. Now, the thought I want to bring to your attention so you get thoroughly disabused of what it is to be shaken is found when Bro. Branham preached in Chicago, after Joseph Matzin Boze had talked to Bro. Branham and had received by revelation and I will not dispute it, that when he (Boze) would be in Chicago, God would shake that city. And he was complaining to Bro. Branham that the city was not shaken. Now Bro. Branham is going to set the man right.

[GETTING IN THE SPIRIT CHICAGO.IL 61-0428]

[E-7] *...so, then I said to Bro. Joseph, "Your great desire has been fulfilled; only you didn't believe. Only I don't believe you understood it. See.*

When you talk about shake a city, shake a nation, (See, shake the whole world; doesn't matter how you put it, we're talking about shaking.) That doesn't mean this here atomic fodder running around out here. That means the Church. The Church is the one that gets the shaking. Just not the ecclesiastical group, but the body of Christ. That's the one that shakes and gets back into line again."

7. Did you hear what I read? Did you really hear what I read? Well, I doubt it, so I'll read it again. I don't mean you didn't hear it but it's really hard to sink in.

[E-7] *When you talk about 'shake a city' shaking a city, shaking a nation, shaking the world; that doesn't mean this here, atomic fodder running around out here, (No great big*

revivals, great big to-do.) *That means the Church. The Church is the one that gets the shaking, just not the ecclesiastical group, (Now he's narrowing it down,) but the real shaking comes to the body of Christ. That's the one that shakes and gets back into the line again.*

And they the Chicago group has known that to be. That they have had a real shaking in the last few years. In these last six or seven years. How great men of God have come to this city and preached to the Elect, and signs and wonders and miracles have taken place, till it's without an excuse. Absolutely it's without an excuse. It's repent or perish. That's all.

Now this is talking to the church that Boze is pastoring and those that he is having some type of fellowship or whatever you have with.

8. Now again in 'Evangelism', shaking, see, that...God doesn't shake that. Hell will shake that when it receives it. But God shakes His church.

[END TIME EVANGELISM JEFF.IN V-10 N-5 62-0603]

[221] *One Angel came to Abraham and his group up on the mountain, and performed a miracle, discerning the thoughts that was in his heart (Is that right?) and Sarah on the inside. Where the angels that went to Sodom had thousands down there. See, the shaking comes in the little group. You see it, Joseph? You saw Chicago got its last call. That's right. God honored you, did exactly what He said.*

9. Again, Blasphemous Names. Now here's the interpretation of see, the first thing that I have done, the things that have been done, that has been mystical to the people, now see, he's laying the foundation, most of them, I don't mean the Full Gospel saints of God, but I mean to most of the people. But you never want to look at the world cosmos as the message of God when you go in you say,

[BLASPHEMOUS.NAMES JEFF.IN V-3 N-21 62-1104M]

[42-4] *Like Boze said, "I've always said, I've had the dream years ago that God would send me to Chicago and shake Chicago for the glory of God."*

I said, "Joseph, He's already done it."

"Why," he said, "they haven't been shaken since Moody."

I said, "I'm talking about the Church. That's cannon fodder out there. That's just dust of the earth; that bunch cramming through the streets, the painted Jezebels, and everything. And I said, "That's out there, those big old lodges and things will crumble and fall in the streets in there." I said, "He's talking about the Church. The Church has seen the revelation of Jesus Christ made manifested and they recognize it." (Now how many?)

10. Now, do you see what he is doing here is where your shaking down comes? Your shaking down is to see the revelation of Jesus Christ made manifest. Just like one God. Trinity had to run to Oneness and Oneness stood there and said, "We had it all the time." Now you can't have your

cake and eat it. So the shaking down is shaking you, out of your own thinking, out of your own status and strata into the truth and the true ranks of Almighty God. He's talking about the church. I said,

[42-4] *"The church has seen the revelation of Jesus Christ made manifest and they recognize it. There may not be fifteen out of Chicago."*(Pretty big city. Several million at least three to five, I don't know which.) *"There may not be ten, in this generation out of the whole city of Chicago come forth."*(But you better believe it's been shaken.)

11. So, I want you to know that as you read many things that Bro. Branham said, you had better be very careful that you're looking at them and understanding them in the light of what I call 'interpreting and using the Scripture with the framework of the Scripture'. In other words, you do not use reasoning. You do not think your own thoughts. You come to the place where you have the exact directive and the exact thinking upon that directive, so that your doctrine is pure and no longer do you worship God by traditions so that you deceived are rejected. Now you can know positively as positively as you can know, the same as I and all the rest of us, whether we are Seed or not and that is by receiving the revealed Word of Almighty God and placing It continually, so there is no jarring and no conflict because God does not contradict Himself. We've learned by the rules and I trust we stay with those rules.

12. Now going to number 18 of the discrepancy, Seed of Discrepancy, before we begin reading in the Seed of Discrepancy. Now listen carefully, it is well to inform you immediately that we missed bringing to your attention a very important point that Bro. Branham makes about Cain who sets the alpha or seed-principle for all ages that finally culminate in this last age of harvest, where the tares are bound together for the burning, when ecumenism finally takes over. I'll read it again.

Before we begin reading in the Seed of Discrepancy, it is well, not only well, but it's very, very necessary to inform you immediately that we missed bringing to your attention a most important point that you must know, that Bro. Branham makes about Cain who sets the alpha or seed-principle for all ages that finally culminates in the last age, when ecumenism takes over.

13. Now in the light of the incontrovertible fact that only two people were there at the beginning; Abel and Cain, how can two people alone account for what actually is always thought of terms...or in terms of many people participating? In other words, the vast majority coming together and a few not.

The answer is very simple. Abel, one man, refused to agree with Cain, one man, that they were both alike, of one source, of one God in worship, and of one problem and therefore, of one means and reason and method of atonement of worship. They're just alike? Why would you need two or three different things? If indeed, atonement was even to be considered and why should it be, on the grounds that you're fulfilling a part of God's eternal purpose as being a child of God manifested in flesh. We proved that many, many times by genealogy.

14. When Abel, one man...refused, Cain killed him. And as far as he was concerned the problem was solved. You heard what I said? The problem was solved. He killed him, now nobody thinks different. That does it. Now what's God going to do? He can do nothing but accept. Because we are the children of God; that's what He said. That's why always remember

what I read to you, “Eve was the mother of all living;” [Gen 3:20] proven scientifically, doesn’t say one thing about Adam being the father of all living.

15. If reasoning, flattery, or coercion could not force Abel to be one with Cain; then death would solve the problem. And now Cain and God were alone and face to face. “Many will come in that day and say, ‘Lord, Lord, haven’t we cast out devils in Thy Name and done great and wonderful works.’” [Mt 7:22] Might constituted right. Sovereignty was stripped from God and given to man and free choice was abrogated. Yeah, they had their own kind of sovereignty, predestination. No matter what it took, Oneness, which is ecumenism would be triumphant sooner or later and set up Satan’s Eden with Satan as his seed in control.

16. Now, there’s where you find Bro. Branham said this parable which is really not a parable, it’s an actual truth, the only parable about it is the fact that the sons of God referred to as ‘wheat’ and the sons of the devil are referred to as ‘tares’. But sons of God are not wheat per se. I am not wheat per se. I’m a human being. I’m a man, same as you are. That’s a designation. Why? Because it speaks of a harvest and garnering. There’s where the parable comes in but the truth is they are beings. And there’s the seed of Satan. See. And they’re bundled at the harvest for the burning. The garner is swept and cleansed for the seed to be harvested and made ready for the Great Wedding Supper.

17. So, you see the principle that started in the beginning. It only took two of them: twins. At the end time there is twins again. So close that only the elect cannot be deceived. And one group of twins is very, very much in the minority. Like in the days of Noah; eight people made the ark. But in the days that we have...but in the days back there, there was maybe five and a half billion serpent seed that bit the dust. So with this in mind and you now have a clarity which you did not have previously, which of course was my fault, but I’ve taken care of it. The Word always takes care of all the problems. So we don’t have to worry.

18. We start reading again on page 11, 55.

[55] *What happened? The church just got started out of Egypt, (Now notice!) ...the church just got started out of Egypt, ...*

And the church of the Lord Jesus Christ, the Bride for which he died of which the apostle Paul was made the apostle to the Gentiles, just got started when Paul said, “Already there’s another gospel, another Jesus, another spirit.” And we’ve got wolves in sheep clothing, right now. We’ve got a mess. We’ve got divisions. So the poor infant church which should have been a diaperless church had to have diapers within seconds. What a mess.

[55] *...church just got started out of Egypt, on its feet a few days, and what happened Satan came along with his discrepancy in the person, the second Cain, which was Balaam, and he sowed discrepancy among them.*

He took them off the Word, in other words. He took them off what they were out there for. Get out of cosmos, you’re out of Egypt, now don’t join up with anybody else; stay separate. Don’t go back; go on till God puts you where you belong. In the meantime, you disassociate yourself from everybody and everything.

19. Remember what I read the other day in Isaiah 42, about the righteous servant. Verse 18.

(18) Hear, (you) deaf; and look, (you) blind, that (you) may see.

Well, that's quite something; how is the deaf going to hear and the blind going to see? Just because somebody says so? No, they're wretched, miserable, naked, and blind in the 3rd chapter of Revelation, the Seventh Church Age. Now listen,

(19) Who is blind, but my servant? or deaf, as my messenger that I sent?

Now this is a total blindness and a deafness that you bring on yourself because as the womb of the mind has been entirely sewn up, pregnated by the Word so nothing else can come in, so you no longer hear or see anything but this Word. Oh boy, well, I won't get sarcastic; I'll just keep reading.

(19) Who is blind, but my servant? (as) deaf, as my messenger that I sent? Who is blind as he that is perfect, (That's completed.)

20. You want to come to completion, maturity, get it over with? You better go to the Word. What Word? The vindicated Word and nothing but the vindicated Word until that's all you know. When somebody says something; you can't help it, you just know what you know.

(20) Seeing many things, but thou observest not; opening the ears, but he heareth not.

(21) The Lord is well pleased for his righteousness' sake;...

21. Now that's a perfect picture of 1 John 3, Cain and Abel. You couldn't fool with Abel for fifteen seconds. He said, "Kill me if that's what you got in your heart and if that's what's supposed to happen; go ahead and kill me. Nothing to what you're saying...Cain, you're crazy, you're serpent seed." You couldn't side track that fellow if you tried.

(21) The Lord is well pleased for his righteousness' sake; ...

See? Abel was righteous. On what grounds? Receiving the Word and believing It and only the Seed can do that. The other fellow couldn't. He put it down to anything he wanted to put it down to, wherever his imagination went to. [Isaiah 42:]

(21) ...he will magnify the law, and make it honourable.

In other words, he'll put the Word of God ahead of everything and he'll be obedient to it. "You live in the Spirit, you will walk in the Spirit."

22. Same thing I read to you over here in the Book of Romans. Abraham, the father of faith, who believed God...and it says. [Chapter 4:]

(17) (As it is written, I have made thee a father of many nations,)

It's true; he was. Didn't matter that the fellow was a dry stick, seminally speaking; dead. Fruitfully speaking, his wife was dead. What did that matter? What did that have to do with the Word of God? Blind to it: I'll prove it to you.

- (17) ... (even) before him whom he believed, even God, who quicken(s) the dead, and call(s) those things which (are) not as though they were.
- (18) Who (when) hope (was gone, hoped on in faith that he might become exactly what God said he was already.)... according to that which was spoken, So shall thy seed be.
- (19) And being not weak in faith, he (did not observe or consider, which means to observe his body.)

23. He was blind to it. "Abraham, you poor old fool, close to a hundred years old, your wife ninety; what is all this tripe, for heaven's sake about you going to be a father of nations? Look at yourself."

He said, "What's to look?"

"Well, can't you see that it will never happen?"

He said, "Who said? I've got a different Word."

Oh, that guy had spiritual guts. I like him. You know, it's easy to talk about him, but it sure is mischief to try to approximate him. He just stood there. I can imagine him saying at the gate, "Father of nations, how many sons did you have?"

"Didn't have one except by Hagar and that doesn't count."

"Man, you call yourself a 'father of nations'? Yup.

"That's what God said I was, if God said I was that's what I am."

If God says I'm righteous then I'm righteous. If God says I'm seed; I'm seed. Abraham didn't feel like a father of nations. He didn't have any sensual, sexual feelings. How could he? So he didn't even bother entertaining a thought in his little pea brain. Most men would have at least entertained the thought. The idea was father of nations; didn't care two bits about sex, if they had to get them, dig them under the gooseberry bush or how they came, it wouldn't matter to him; he was going to be a father of nations. Never observed and took time of looking at his body, at his wife's body or anything else, going to the doctor and making measurements, taking temperatures and everything else. He said, "Forget it, God said I'm a father of nations; that takes care of it. You watch and see."

24. So, the church got out of Egypt and began looking around. The church got out of heathenism and began looking around. William Branham called out about four million in the Pentecostal, looking around. What do you want to look around for? That's it; not Shelley and his tripe and his can crap and these guys down south, I'm a gutter preacher and I don't give a rip what I am. If you're so sweet get out of here. I don't need you. I don't even want you. Don't get mad at the milk man and these guys out here. You reserve your anger for that which is against the Word. You run around the world; look at that, look at it. Look at it. [Bro. Vayle points to picture of the Pillar of Fire] Don't get your eyes off of it.

“Well, Bro. Vayle, I had a vision.” You don’t give you two bits for your cotton-picking vision. “Well, Bro. Vayle, I prayed for the sick.” So, you prayed for the sick? What’s that got to do with it? I just have to tell people to just get out of the way; and I’ll pray for you. Put it all on me. And I would put it all on Christ and the work would be done. What...how many brownie points do I get for that? None.

25. Because the voice inside said, “If you ever listened to a man, that’s the man you listen to.” And the flesh wanted to give way and say, “Bro. Branham, I don’t think I can take it.” The Tie-post said, “When was he ever wrong?” Out of thousands and thousands of times when was he ever wrong? When did It ever fail? The righteous servant is blind to everything but the eye of God, which is the last moving part of the body. The prophet looking beyond the ‘Curtain of Time’ and bringing us the Word for our mind which the Spirit takes, runs through the mind down into the heart. That’s why you got a spirit. “The candle of the Lord search inward parts of the belly.” [Prov 20:27]

26. Say,

[55] *What happened? The church just got started out of Egypt, on its feet a few days, and what happened? Satan come along with his discrepancy in that person, the second Cain, which was Balaam, (Balaam, the old ecumenical buzzard.) and he sowed discrepancy among...the children of Israel. We know that’s right. That Balaam, the teaching of Balaam, that “we’re all the same, we serve the same God you do,” fundamentally, he was right, ...*

I don’t care how fundamental the Pentecostals are; they’re wrong. They’re wrong, as long as they got one bobbed haired woman, slack wearing, floozy, high-heeled slipper, song leading spiritual prostitute; they’re wrong. You say, “Bro. Vayle, you’re not nice.” I didn’t say I was nice. But the Bible says, “A little leaven leavens the whole lump.” [1 Cor 5:6] You do what you want with it, if you’re so superior, so wonderful. “Oh, let it go, Bro. Vayle.” I’ll let it go, like fun I’ll let it go. You let it go. My soul requires more than what Pentecostals can give me. But it doesn’t require one more than what He gave me. No. In fact it hasn’t even begun to get saturated; must be wearing an umbrella somewhere.

[55] *... “we’re all the same, we serve the same God you do,” fundamentally, he was right, because he offered a sacrifice that God offered; In other words, God ordains. ...seven rams, seven bullocks...seven altars, ...prayed to the same God just as perfect as Moses did down in the wilderness, just exactly the same. But they (Moses and Balaam) were not the same! Foreshadowing to us what would come to pass. (When Malachi, chapter 4; the prophet Elijah, of this hour would come to earth.) There was, again, Cain manifested in the person of (that’s Satan’s seed) Balaam.*

27. You know that’s as simple as A-B-C. Let me ask you a question: where in the name of commonsense did this buzzard come from except from the loins of Cain? Well, come on; he’s a little Cain. He was part of the breed. Now I want to tell you something; I enjoy watching buzzards soar. They are marvelous, the way they can tip their wings and soar, but I’m not going to get near one of those buzzards and let them puke on me. [Congregation laughs.] I’m not going

to join them. I'm just going to watch them. I don't care how pretty he soars. I know when he comes down; he's going to head for the road kill. He's going to go back to Pentecostal road kill.

28. So, let's keep reading.

[55] (They weren't the same.) And *there was... Cain manifested in the person of Balaam. And there was God* (Oh, this is dynamite. This is sacrilegious. Oh, I could never take this. Oh yeah?) ...*there was God manifested in the person of Moses, interpreting His Words through a human being, making Himself known, His promise, through a human being. And the discrepancy raised up.*

And said, "Hogwash." What are you trying to tell us; that you got a real vindicated revelation? We can do the same things you can do; we've got the same altars; we've got the same sacrifice; we've got the same Bible; we're all the same and here you are trying to separate yourself; you two-bit tinhorn little mini you, cult. Oh, my, that makes some people feel so bad. I'm a cult and I don't give a rip. And the funny thing is the word 'cult' is a good word. It's not what a bunch of jackasses out there make it to be. Ha, three gods. A bunch of infidel idolaters. A Son called Jesus with two fathers. Raised up a high priest and called of God a man and the world makes him the God, Christ Jesus. They can't even read. And I'm a cult? And they can't even read? [End of side one of tape] Well, they can breed like flies with their false doctrines and dogmas and their Beetle songs from hell.

29. You think for one minute, they believe that God was really in Moses. Oh, well, perhaps in Moses. What about... Paul? "Oh, no, no, no, no, he was in the desert and God stood there and Paul stood there and they had a chitchat and a couple of scones and a cup of tea and God told Paul a few things and Paul told us a few things and now, hallelujah."

I've got news for you, Paul said, "God was in the prophets." Well, now, ah, humm. Yet the same people will say, "Well, God's in me." You talk about insufferable impertinence. The braying of an ass that is supposed to sound like the lion. I'm in good fettle this morning. [Congregation laughs.] I know the language, don't worry, I'm not eighty-one years old for nothing. I know what goes on and don't tell me I don't know; I can smell it down the road.

[55] ...*God manifested in the person of Moses, interpreting His Words through a human being, making Himself known, ...*

30. According to the contract that God made with the people and the people reneged and God didn't; and He held their nose to the grindstone, and the sparks of hell flew and that's what hell is made of; the sparks. And God takes His Word and holds It right there and you try to change It for one split second. The Pentecostal arm benders; "I'm going to fast and pray; I'm going to make God do it." Watch how lean your soul will get before too long. "Oh, my soul is fat, Bro. Vayle." You...go ahead, go ahead. Do anything you want about it. I can show you Scripture you're wrong and you still won't believe it. Huh? You think I can't. Oh, come on. I've done it for the last thirty solid years.

[55] ...*His promise, through a human being. (I'm going to go down in four generations and bring you out with a high hand.) and the discrepancy raised up*

And said, “Now listen, just a minute, let’s not get too tight with this thing here because even though you have come out after the fourth generations, you notice us, we’ve been out all the time. Hm, hm, hm, hm.” And I can hear the bunch from Canada and all over; mealy-mouth. “He’s been here all the time.” That’s a lie from the pit of hell. He hasn’t been here since the time of Paul, for two thousand years. Oh, Lee Vayle has got that bad spirit. You’re durn-tooting I got it. Because I am not an ecumenical person and I will not join their tripe. He hasn’t been here since the time of Paul. It’s on tape. The tape was sent to me personally, that Perry Green stole and took around the world and I thank him for it. Yeah, think it over.

31. [Paragraph 56]

[56] *So did it do...in the time of Judas, there he came with his discrepancy.*

When? When this prophet like unto Moses, indwelt by God, vindicated by God was bringing the true interpretation of that Word and Judas rose up with the discrepancy. Judas was an ecumenical bird, a buzzard. Jesus said, “Have I not chosen you twelve, and one of you is the devil, ‘diabolos’?” [Jn 6:70] Oh, I could be a devil in this pulpit this morning, an angel of light, so-called. If the prophet didn’t lie, I certainly am not. And I’ve never taken you off the Word, always taken you to the Word. If I make a mistake I come right back, we correct it, because the Word always corrects the error.

Judas, the ecumenical buzzard. Oh, he seemed to fly like an eagle; he healed the sick and raised the dead. Yeah, right out there confessing and testifying, “This is the Son of God.” And Bro. Branham said, “*He just thought that he believed it.*” Now examine your souls this morning. Do you think you just believe this or are you stuck or could I entice you to some movie or something? Could I entice you to some literature? What would it take to get you off this Word? Well, if you’re on It; ain’t nothing going to ever get you off It.

32. [Paragraph 57]

[57] *And, remember, this sin that those people believed, that “we’re all the same, we worship the same God, we should all belong to the same church, ... (And that’s what the pope is saying right now. And Bro. Branham was not here when the present pope said it.) ...we should be the same people,” that sin was never forgiven Israel!*

You say, “Bro. Vayle, I just don’t understand that. Now, now, just a minute, Bro. Vayle, why, why, why?” Shut-up! What did God do? He brought them out. He destroyed their enemy. He said, “Don’t ever do this. Don’t you have a thing to do with those people. And when you get to the Promised Land, you kill every one of them and get rid of every one of them, lest they contaminate you. And take not to yourselves many wives.”

33. Watch the women because you just may be a stinking buzzard instead of an eagle. I haven’t heard any shortage of buzzard eggs but I’ve heard a lot of shortage of eagle eggs. Eagles in America need a special dispensation of conservation to bring them back and so do the Bride. God never forgave Israel. And He’s not going to forgive any person that’s joined the ecumenical move. There cannot be forgiveness for them because they have joined up with the devil. They are espousing the devil’s counsels. God said, “Come now, let us reason together.” [Is 1:18] And the

reasoning is, God said, "Shut-up, sit down, listen to Me, and believe It and everything will be just great." The devil came by, like he came to Eve and said, "Now don't you believe It. There's other things you should think about beside that." You tell me one thing I should think about beside the Word that the vindicated prophet gave me? God's own Word, God coming down and indwelling a prophet; God vindicated Himself to the prophet, the prophet to us vindicating the Word and here I am in a state of perfection.

[57] *Jesus said, Himself, "They are all dead!"*

34. [Paragraph 58]

[58] *They perished, all but three of them, (That's Moses, Joshua and Caleb. There's actually only two. You can consider that Joshua and Caleb. They went in and spied the land out.) When the weakling said, "We cannot take the land, ...it's too much for us," and so forth, Caleb and Joshua stilled the people, and said, "We're more than able to take it, because God promised It to us! I don't care what the opposition is!"*

So therefore, the opposition is the ecumenical principle where people try to soft soap you. And if they can't soft soap you, they ostracize you, criticize you, make fun of you, the big sneer, and if the time comes and it's just right, they'll kill you. Yeah, exactly; all through the ages.

35. No matter the opposition; never forget the 8th chapter of the Book of Romans. And Paul says,

(35) (And) Who shall separate us from the love of Christ? (That's the true baptism with the Holy Ghost.) ...shall tribulation, ...distress, or persecution, ...famine, ...nakedness, ...peril, or sword? (No.)

(36) ...it is written, ...we are killed all the day long; we are...sheep for the slaughter.

(37) ...in all these things we are more than conquerors (We'll take the Lamb; we're going in; we're part of the Kingdom. New Jerusalem; here I come.)

(38) ...I am persuaded, ...

I won't squawk on my deathbed. I won't have any doubts or fears. I'm one of those righteous servants that's blind and deaf to everything but the Word. My feelings don't count. My experiences don't count. My sins don't count. Only one thing counts. He said, "*You're the righteous, sinless, Bride of the Lord Jesus Christ, you didn't even do it in the first place.*"

(38) ...nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come,

(39) ...height, nor depth, no...(creation), (is)...able to separate us from the (true baptism with the Holy Ghost, the indwelling of Christ Himself, and a part of the blessed Bride, the body of the Lord Jesus Christ.)

And he said, [Romans 9:]

(1) (And) I say the truth in Christ, I lie not, my conscience...bear(s)
me witness (this is the way it is).

36. All right.

[58] *I don't care what the opposition is!*"

[59] *And we can still preach Divine healing, and the baptism of the Holy Ghost, and still have the power of God to separate us from the things of the world. God said so! The apostolic age has never ceased, and it will not cease, it goes on.*

In other words, its not only a vindicated Word that has come to us but it is a living Word that separates us and helps us, causing us to live differently, to examine the truth, and then to walk in the light as Paul said, "If you live in the Spirit, see that you walk in It."

Now remember, the baptism with the Holy Ghost only lasts to this age. It could be over by now. I do not know; I cannot say. But I know that the Baptizer Himself is here, giving us the true revelation that escaped in the first age, it was given to Paul. I don't care what your background is, I don't care what you have done, I've had a ministry too back in latter-rain, Pentecost, absolutely. People who didn't know me, called me "a second Branham." Very flattering, but very unholy; that's because I discerned and prayed for the sick and everything else, prophesied right down the line. Everything I shouldn't do; I did. God forgave me, of course, He forgives. He forgave Paul, didn't he? So, I don't have a thing to do with those things. Still pray for the sick, people still get healed, one or two here, one or two there. I don't claim a healing ministry, just pray for the sick; that's all. Who needs any more?

[59] *The apostolic age has never ceased, and it will never cease, it goes on.*

Until the last one's in and child-trained. Then there will be a resurrection, and the spirit that's in our midst will become incarnate to us at the Wedding Supper. And that's it.

37. All right, back on page 9 and paragraph 46, it says.

[46] *And...he came over, and he said, "Mr. Branham, ...I believe you're sincere... you're honest, but you're trying to introduce to the world an apostolic Doctrine." ... "The apostolic age ceased with the apostles."*

[47] *I said, "The first thing I'd like to ask you, my brother, do you believe...every Word of God is inspired?"*

He said, "...I certainly do, sir."

[48] *I said, "Then, would you show me in the Word where the apostolic age ceased? Now, you show me where it is, I'll believe with you." And I said, "The writer of the apostolic age, and...had...the one that had the keys to the Kingdom, on the day of Pentecost when the apostolic age was introduced, ...answered the people that day and said, "Men and brethren, (when they said,) what can we do to be saved?" He said, 'Repent, every one of you, and be baptized in the Name of*

Jesus Christ, for the remission of sins, ...you...receive the gift of the Holy Ghost, for the promise is unto you and to your children, and to them that's far off, even as many as the Lord our God shall call.' Now, how can the Word of God contradict Itself?"

...He said, "I've got an awful cold..."

...Yeah, I think so, too." ...

38. So we find this is number 60 paragraph.

[60] *...we find the same old sower of discrepancy.*

In other words, in other words, there's a pattern that never changes. The Alpha and Omega pattern, wherein, it starts as 'a' and ends in 'z'. And by the time Alpha goes to 'z' every letter of the alphabet is in there and every word that can be conceived is in there. So by the time that you get from 'a' to 'z' with God, there isn't one thing missing, period. And it's all perfectly, a hundred percent right. And by the time you get from 'a' to 'z' with the serpent seed, there's a hundred percent error. And there isn't one thing right. Satan's kingdom is not just one word off now; it's all off.

[60] *So we find the same old sower of discrepancy. And remember, that sin was never forgiven. Now, brother, if it was never forgiven then, what about now when the real seed of all...ages are coming together?*

Like as in Malachi 4. and what is Mal 4:1 say, "They're all going to burn, leaving neither root nor branch." Doesn't say that about wheat; it says that about tares. It says that about tares. The wheat is gathered in the garner for preservation. See, gathered right to Christ, right through the Word, first resurrection.

39. Number 61, paragraph. Page 11,

[61] *Notice this great thing that Balaam did, it went on and on, and finally ended in the coming of Judas Iscariot, and Jesus. What was it? Judas and Jesus were exactly just a figure of Cain and Abel. For, as Judas was religious, so was Cain religious. Cain built an altar, ...made a sacrifice, ...worshipped God, he was just as sincere in it as the other one was. But, you see, he didn't have the revelation of what the Word was. He thought it was Adam and Eve had eaten some apples or some fruit.Abel, by revelation, knew that was wrong; it was the blood that brought them out, and he offered a lamb. And God testified this offering was right.*

That's the same...Israel came out under the blood; what did they do? Then they said, "Let's go to these phoney baloney buzzards with the Word they got. Why, it's the same God? And it's the truth; they've been out having a great time while we were down there having a horrible time.

40. You know one day, old...old, even old David got upset. And he began looking around at all the wicked spreading like a green bay tree, and he began to look around and said, "God, what

is this anyway?" He should have looked at the fact that... he did some pretty sleazy things, then he wouldn't have asked the question. But he forgot about the sleazy things he did, I guess, and got pretty run down within his soul like he said, "Soul, why art thou disquieted within me? you know, what's your trouble?" He said, "I began to look around and I saw these wicked people spreading like the green bay tree and I went to God and I got an answer and I saw their end." He said, "I saw where I am going and I saw where they were going." He said, "I saw the harvest. And it was all over." Now brother/sister, we're at the end of the harvest now.

[61] *And then he got jealous and tried to kill his brother. And...he killed his brother upon the same altar that his sacrifice died on, (That's Abel's sacrifice; the lamb.) the lamb died upon the altar, so did Judas Iscariot betray Jesus Christ upon the altar of God, (It's commonly said that Jesus was the altar of God.) and killed Him just as Cain killed Abel. Because, Cain was the seed of discrepancy.*

41. Jesus said, "You are of your father the devil. The works of your father, you do." And 1 John 3:12 says, "Cain was of that wicked one; he was actually sired of him and bred of him down through the ages." Oh, the modern Pentecost, he'll change that and say, "No, no, that doesn't mean that at all." He's going to find out shortly. He's another bird that can't even read.

Those are those Canadian fellows that think they're so smart, they're so sharp, they went against the 'Church Age Book' on cellular therapy within three...less than three months, 'Time Magazine' had about thirty pages of it, on cellular therapy. Now everything is cellular therapy, that's why they want to have the fetuses just exactly right. So now they're going to be able to take part of the fetus; so they'll have abortions, abortion mills just set up nicely, so that men and women can go in and get a part of that fetus and renew you. Oh, you smart Pentecostal asses. You're smart all right. You think you're lions you bray like donkeys. Betch you those Canadians of the East Coast, and don't tell me to shut-up because I'm a Canadian by birth, and I'm a Yankee by choice and I'll die that way by the grace of God, don't even link me to Canada. Don't try it. They were anti-Christ before America ever thought of it; ecumenical. They're the original Christian Commonwealth Federation, a church political party, socialistic in intent; where are they today? If I have nothing but contempt and you don't like it; I'm sorry for you. I have my contempt; let God rebuke me.

42. And so was Balaam the hireling prophet. The hireling prophet; let's find out about that buzzard. That's what he was; a buzzard. He's over here in Numbers, and I'm going to look about the 22nd chapter, and the 7th verse, and it says,

(7) And the elders of Moab and the elders of Midian...

Now these are the incestuous, well, they're the children by incest of Lot and his two daughters. Boy, have we got some great lineage to look at here. They tell me incest is legitimate in Australia. My God, I hope not but I'm sure I read that in Dr. Dobson's magazine. They didn't care if you do it. You know what? Child molestation is bad enough.

(7) (So here these ones born of incest; they came and...) departed with the rewards of divination in their hand;

The rewards of divination; in other words, they couldn't tell the true moving of the Holy Ghost from the moving of the devil. And here Balaam was moving right along with the devil because he was a buzzard. Looked just identical. And he had a good story. "Oh, we love God and He loves us. Notice, we got all these four hundred years. Yup, Oh, He's a good God; He forgives everything. Now incest isn't the way to go but it's alright, hey, here we are, look it; must have been the right thing because here we are." Divination, diviners, using bones, dice, tin money, anything; sand, they sit back and read it. Phhhh. Tea leaves; means no more than nothing. You know why; it's not in that. It's up here where the devil is. Perched right at the top of the medulla oblongata, yeah, I'm just kidding about that one. Right at the top where your spirit and your mind coming together. Okay.

43. Where are we? We're over here in Numbers 23 and 23. Let's read that one. Here these buzzards are again.

(23) Surely there is no enchantment against Jacob, neither is there any divination against Israel:

Now these guys were hot stuff. They actually pulled rabbits out of the hat. They had connection with the devil. Supernatural things could happen. There's no doubt about it. And they come back and the same bunch of buzzards got to say, "Listen, William Branham was off the Word. No two ways about it. The guy was off the Word, but there's one thing about him; never did he make a mistake in discerning and as a prophet." [Bro. Vayle makes whistling sound.] Right there, cut their throats. Hope they didn't have white shirts, well, just be red from that time on.

44. Hireling prophet; preaching for money; trying to build a church to get a lot of people. Get a lot of people, get a lot of money, comes in, the preacher counts it his own. If I'd have counted all the money that came in here as my own, I'd have... I don't know what I'd have but I'd sure have a bank account to beat all of you put together. We send out hundreds of thousands of dollars, and we're still looking for someone to help. I don't count it my money because it's not my money. I'm running scared right now. You people aren't my people. Say, "Well, I'm Bro. McRae's." You're not his either. Well, you could be our people but I'm going to tell you one thing; as far as I'm concerned, forget it, I'm going to disown you. You better be God's people. You better be God's people.

45. [Paragraph 62]

[62] *...hireling prophet, a man who ought to have known better. And God warned him through signs and wonders, and even a mule speaking in an unknown tongues, and still he went way...on just the same.*

And that's a fact that vindicated William Branham called their bluff, bringing it right down the line, they went on just the same. Not one came down and was re-baptized in the Name of the Lord Jesus Christ. And now with him dead, oh my, are they happy; they play 'ring-around-the-rosy' around his tombstone. Oh, they have fun. I imagine, I could even persuade some to bring a few dead cats on Halloween night and throw them on the tomb. Now that was bitterly sarcastic. And I'm not going to take it back. Of course, they're not going to do it. I'm talking about the spirit behind it. That's a Judas spirit, a devil, a killer. What do you think anyway? You

think the devil's not going to take that whole bunch over and make them killers? Read the 13th chapter of Revelation and smarten up, that's the Bible. That's the conclusion of Genesis.

[62] *He was borned to be a sower of...discrepancy.*

Yeah, oh, yes, they don't want that, they don't want sovereignty. They don't want you to be foreknown in Christ. They just want it to be that the thing was worked out there and now the whole thing was worked out to...so you can walk in and hey, fine, fine, fine, fine. Hogwash.

46. Ninth chapter of the Book of Romans, great book, who, says,

- (4) Who are Israelites; to whom pertaineth the adoption, and the glory, and the covenants, and the giving of the law, and the service of God, ...the promises;
- (5) Whose are the fathers, and of whom as concerning the flesh Christ came, who is over all, God blessed for ever. (What more do you want than that? Now listen.)
- (6) Not as though the word of God hath taken none effect. For they are not all Israel, which are of Israel: (Yeah, they weren't the true Israelites.)
- (7) Neither, because they are the seed of Abraham, are they (the) children (of Abraham): but, In Isaac shall thy seed be called.
- (8) That is, They which are the children of the flesh, these are not the children of God:

Fifteen million people born after the flesh, simple sexual desire; thirty-five from the same simple sexual desire brings forth reality. Because no child is born without sexual desire; it just isn't possible. No.

- (8) That is, They which are the children of the flesh, (they're) not the children of God: but the children of the promise are counted for the seed.
- (9) For this is the word of promise, At this time will I come, and Sarah shall have a son. (And that takes care of it. Everything in order; everything in place.)
- (10) And not only this; but when Rebecca...had conceived by one, even by our father Isaac;
- (11) ...the children...not (even being) yet born, neither having done...good or evil, that the purpose of God according to election might stand, not of works, but of him that calleth;)
- (12) It was said unto here, The elder shall serve the younger.

(13) As it is written, Jacob...I loved, but Esau have I hated.

47. Now you can't tell people that really means that. "No, it doesn't really mean that. That's just illustrating." It's not illustrating; it's the truth. If you weren't the Seed of God in the first place; you're not now. If you're buzzard you'll enjoy floating around; have fun. But it's going to catch up. 'Many will come in that day.'

(14) What shall we say then? Is there unrighteousness with God? God forbid. (What do you mean 'God forbid'? God forbid you say such a stupid thing.)

(15) For he saith to Moses, I will have mercy on whom I will have mercy, and I will have compassion(ate) on whom I will have compassion(ate).

(16) (And)...then it is not of him that willeth, nor of him that runneth, but of God that sheweth mercy.

(17) For the scripture saith unto Pharaoh, Even for this same purpose have I raised thee up,... (Now where did Pharaoh come from? Maybe a hundred generations back; came right from Cain. Old serpent seed pastor Pharaoh.) ...that I might shew my power in thee, and that my name might be declared throughout all the earth. (It sure is still right now today.)

(18) Therefore hath he mercy on whom he will have mercy, and whom he will he hardeneth.

(19) Thou wilt (then say) unto me, Why doth he yet find fault? For who hath resisted his will?

(20) Nay but, O man, who are (you) that replies...against God? Shall the thing formed say to him that formed it, Why (have you) made me thus?

(21) Hath not the potter power over the clay, of the same lump to make one vessel unto honour, and another...dishonour?

See, there you are. That's election: the devil seed and the God Seed floating around in humanity; one lump.

48. Poor old Isaac, how did he feel like, having the right wife, and him the right one, and he's got one son that God hates and one God loves. And the funny thing is; poor old Isaac loves the one that God hates. Boy, did God slap him around. Old Jacob comes in because his mother says,

"Now look, son, you know Esau is a hairy old boy and we'll just put some hairy gloves on you and you know, we'll fool the old man, you know, because let's...he's getting old and he's so dotty on that son, he's going to give him the birthright."

Now when did God ever stand behind a lying collusion? So, here's old Isaac he's all jittery and all blind and he feels, he said, "It's the voice of Jacob; but," he said, "it's the hand of Esau. I just can't quite figure this thing out." he said, "Where's that good...that good stew that you make."

He said, "Here it is, father."

He said, "Oh, that's delicious stew, I love it. Yeah, he said, "Okay, I'm ready to bless." So he went ahead and blessed.

Now Esau comes on and old Isaac begins to tremble, my God, does he tremble. He said, "Who have I blessed? Did....[Bro. Vayle stutters.] did that subplanter Jacob did...did he take this all away what I wanted for you. Then he said, "He shall be blessed." Because he was the prophet and he couldn't say anything but what God wanted him to say and made him say and I'm going to tell you, his wife was a stupid idiot to do what she did, in my books. Because the minute that Jacob would have come under his dad's hands; his dad would have trembled, he would have fumbled, he would have stuttered, he would have screamed, he would have jumped, he'd have been a Pentecostal hoot owl, acting like a buzzard. But the old eagle would have come forth and blessed the boy.

How can you curse what God has blessed? Now how can you not bless what God has blessed? Even these birds, eagles acting like buzzards. You don't have to be stupid with God and I don't have to be stupid with God. Hey, it's settled. Oh, I'm going to start to feel good about it. Oh, shut-up for Pete's sake, go and get yourself an ice cream cone. You and I don't have anything to do but believe It.

49. Blind and deaf and dumb to everything else, the same as good old Abraham was and we're the children of Abraham. We're the children of the prophets. The prophets had the Word in their mouth and, of course, it went to the spirit in the mind and down in here and you couldn't get those...those eagles to move. Oh, brother/sister, you put them on the hot seat, didn't mean a thing, they said, "Kill us, it's okay. Whatever you do is fine. God's going to give us victory; God's going to give me the strength to stand everything He can pour on me."

And the 2nd chapter of 2 Peter tells you flat; that that serpent seed bunch end up as natural brute beasts made to be taken and destroyed and those amongst them, that think they're religious. The buzzards that try to be the eagles; that try to scream like the eagles; that try to partake of a Word they have no part in. Their day is going to come and as dogs return to the vomit; and they're doing it every place I look around. If William Branham stood there in the pulpit and said, "*I hear there are ten thousand believe this Message: got to shake them off.*" Could a quarter of a million believe? Just ask the question.

50. He was born, Balaam was born, foreknown, predestinated to what he was.

[63] *And if Jesus predicted this age to end up in the greatest discrepancy that ever was, the Laodicea church..., lukewarm, and they put Him out of the church, how can it be anything else but that discrepancy!*

It can't be anything else because there aren't a bunch of seeds being sown. The Book of Genesis sowed every single seed. That's it. Now what you see at the end time is exactly what

happened in the Garden of Eden: Eve, the mother; but Adam not the father. Adam carried in his loins the very life and souls that God had predestinated. Do you think people believe that except a few clowns like us? We believe because we are eagles. All right, about time to quit.

51. Says, right here, time to quit.

[63] *...how can it be anything else but that same discrepancy! Certainly, it is. It ends in that age. And it was Cain and Abel again on Calvary.*

All right, I'm going to write down where it says here. We'll see what happens next Sunday morning. And that's going to be December. All right. I hope you learned a lot this morning and got way down deep within you, because I'm going to tell you something; there's only one true Word. There aren't two or three of them. There's a million take-offs on the Bible, a million discrepancies, but there is one truth and we have It. It's recorded. Nobody can change it. The devil can't do one thing about it. No way shape and form, because God's going to perform every single iota to the last living breath in you and me. Let's rise and be dismissed.

Heavenly Father, we thank You again for the privilege we've had of gathering ourselves together to study Your Word, to listen Lord, to It, and I trust that the listening has not been in vain based upon the hope that I have that the saying has not been in vain, in the sense, that anything is remiss whatsoever that has been spoken to the people as we've taken It word by word to see that the great discrepancy of this hour is to look at the fundamental, to look at this, to look at that, and as the rabbit to go back in the same hole he came out of, the people to turn back to the ecumenical thesis that is in the world today, wherein the pope has already proclaimed himself the head of the three monotheistic religions.

All of these things Lord, we understand and know by Your grace and now we pray Father, that we'll know You, as we've never known You previously. Grant Your own Life, Your own anointing, You the great Anointer. Anoint our minds and our spirits and our souls as never before with the revelation of thy dear sweet wonderful Self and the love of God shed abroad in our hearts by the Holy Ghost through the conduit Word and we Lord, walk in the Spirit that we live in. This is what we desire and this is what we're looking for and somehow it's got to be. We're not dissatisfied, Lord, with the things You do for us. I know our dissatisfaction lies within ourselves. We're not ashamed of you Lord, we're ashamed of ourselves. But all these things must go. We must rise with the tide, the prevailing winds that are now sweeping the eagles upward where the buzzards and hawks cannot come. Where life abundant lies at the Great Wedding Supper, when that Spirit, You Yourself, Elohim, Jehovah-Elohim, becomes incarnate in that One, the Lord Jesus Christ and we crown You King of kings and Lord of lords, and we understand and know as never before and enter in to the glory of our Lord, stepping stone, an open door to what is further there.

Heal the sick amongst us, we pray, O Lord. Help each one to have the strength, each one has need of and grace in every time of need. We know it's there; just may we be aware of it. We commend ourselves to You in the Name of Jesus Christ. Now unto the King eternal, immortal, invisible, the only wise God, be all power, honor and glory through Him, the Lord Jesus Christ, our blessed Savior, whom we adore, Amen and Amen.

'Take the Name of Jesus with you.'
